

Direct Infrastructure Partners Advises on Exeter International Airport Sale

Direct Infrastructure Partners are pleased to announce the provision of commercial due diligence to the Rigby Group plc. in their recent acquisition of Exeter International Airport from Balfour Beatty Plc. This involved a detailed review of capital expenditure plans, airline routes and commercial arrangements as well as separation and transition issues.

Further details of the transaction can be found [here](#).

Notes to Editors;

1. Direct Infrastructure LLP provides a range of services to investors such as pension funds, sovereign wealth funds and other institutions, wanting to invest directly in transport infrastructure assets. These services relate to strategic assessment of the marketplace, planning and execution of the transaction (including transition) and management of the asset post-sale. We can act as a one-stop shop for the whole transaction or provide specific services where the client already has some expertise.
2. The Partnership can also provide these services on an ad hoc basis to infrastructure funds investing in transport assets.

3. What differentiates us is that we are all former senior managers in the transport sector with knowledge gained from first-hand experience.
